

➔ Forum languages meet Sport 3

Posted: octobre 20, 2012 in **Uncategorized**

I'm going to give you a breve summary and explain the main purpose of this forum. Firstofall, it was the third edition of the Languages meet Sport for Regional and Minority Languages and Cultures which is supported by the European Union Lifelong Learning Program have begun in october 19th until the 20th. During this period, many conferences took place; representative, sportsmen and others actors explained how they mix sport and language together.

They want to show to the European community and the whole world that there is a link between both world.

They are interested in the promotion of language learning and intercultural dialogue through sports an opportunity to present their projects, meet new partners and become part of a European network for the intercultural dialogue between languages and sports.
